Greetings!

Welcome to our latest edition of our Level Rite Concrete newsletter! This is a monthly publication to keep you in touch with news and developments which relate to concrete raising and after care tips. Plus exciting happenings in our communities.

Last month we had the pleasure of participating in awesome event: National Night Out Against Crime in Munster, IN. It was our pleasure to support the community, honor those who serve and participate! Go Blue! Go Munster Police! See you all next year.

August Brewing Business Panel

SCORE For The Life Of Your Business!

There was a recent networking event celebrating small business

owners in Northwest Indiana in conjunction with the Munster Chamber of Commerce and Northwest Indiana SCORE. We recognized the efforts of business owners who are working to grow and succeed in our community. We all came together to explore relationships and preparation needed to grow a new business. Our very own Jennifer was part of a great panel!

September Happenings

The Tomfoolery Show

Join Us at Villa Cesare in Schererville for a great evening!

The Ides of March featuring Jim Peterik (founder of the band Survivor) performing along with comedians Vince Acevedo and Mona and the Paul Siemer band. Event is Friday, September 11. Doors open 6:30 PM, show begins 8:00 PM. This promises to

be a show you do not want to miss.

Click [Here For Tickets](#) to this exciting event! Hope you can join us!

October Save The Date

Touchdown Chili Challenge

**Join Us at the Center for Visual and Performing Arts
Monday, October 5 at 6 PM**

Think you can pick the best chili in the region and spot the best decorated event booth? Well, you can have your vote if you join us! Join us to taste and vote on the best chili in the Northwest Indiana area and watch Monday Night Football Detroit Lions at the Seattle Seahawks. Various businesses and restaurants from the Town of Munster and the region will cook off and challenge each other for top dog prize of who cooks the best chili!

Please [Click Here](#) for further information and to register to attend this exciting event! \$10 per person. Come Hungry!

Benefits Of Foam Injection

High-density polyurethane concrete leveling was first introduced in the late 1980's. This process was initially used on Department of Transportation projects but is now cost-effective enough to use on smaller scale residential, municipal and commercial projects.

Compared to other concrete leveling methods, polyurethane concrete leveling is more efficient, 75% more economical, 80% faster to complete (and therefore less disruptive) and more accurate (to within 10/1000 of an inch), more durable and moisture resistant.

Click [here](#) to learn more about the benefits of using polyurethane foam.

Thank You For Your Business

We love our customers! Thank you for being so awesome!

For a chance to WIN this month's giveaway... Please leave a testimonial about our work on [Google+](#) or [Yelp](#). We appreciate your comments!

Concrete Raising After-Care Procedures (Tip #2):

[Animals Living Under Concrete Voids:](#)

To expel the animals from the void, you should first put moth balls under the slab. Rags

soaked in ammonia also work well. We suggest doing both.

Thank you for joining us for our September newsletter. We appreciate YOU! We welcome your comments and suggestions at any time!

Please help us spread the word - by forwarding this email to your family and friends. There is an easy link below.

We love our fans! Please remember to **LIKE** us on Facebook, **FOLLOW** us on Twitter and **CONNECT** with us on Google+.

Have a great day!

Sincerely,

Joe and Jenn
